

Product Safety Guidelines

- **Intended Use:**

This product is intended for indoor decorative use only. It is not designed for outdoor use, heavy-duty applications, or as a replacement for seating support.
- **Materials:**

The cushion cover is made from velvet polyester fabric, and the inner filling is comprised of duck feathers and down.
- **Fire Safety:**

This product complies with the Furniture and Furnishings (Fire) (Safety) Regulations 1988, as amended. However, do not place the cushion near open flames or heat sources to reduce the risk of fire.
- **Allergy Advisory:**

The materials used may contain allergens. If you have sensitivities to specific fabrics or fillers please ask for further details.
- **Child Safety:**

This product is not a toy. Keep out of reach of children, especially infants and toddlers, to avoid the risk of suffocation or ingestion of small parts, such as zippers or decorative elements.
- **Care Instructions:**

Follow the care label instructions to maintain the product's quality and safety. Improper washing, drying, or use of chemicals may damage the fabric or affect fire-resistant properties.
- **Choking Hazard:**

Decorative elements, zippers, or tags may pose a choking hazard. Regularly inspect the cushion for wear and tear and remove damaged components promptly.
