

# Edible Slime Kit

All you need to make fun and delicious edible slime!

## Instructions:

- 1. Pour the mini marshmallows into a microwave safe bowl.**
- 2. Microwave for 5 seconds, then take out and stir.  
Microwave for another 5 seconds and stir again.**
- 3. Marshmallows should now be melted. If not, microwave for longer but be careful - they burn fast!**
- 4. Pour most of the icing sugar from the tube into the bowl of melted marshmallows and stir it in.**
- 5. Add the coconut oil from the container into the mixture and stir to combine.**
- 6. You should now have fun pink slime!**
- 7. Optional add ins - for more texture, colour and delicious taste, add in the sprinkles and white chocolate chips.**
- 8. Coat your hands with the remaining icing sugar and enjoy playing and eating!**
