

Beauty of the Night (Belle de Nuit)

Fragrance Family: Floral Oriental

Fragrance Profile: An intoxicating white floral note, elegant and inviting with a musky and profound sweetness. A precious fragrance, as sultry and seductive as a warm Arabian night.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, coumarin, linalool, hexyl cinnamal, limonene, geraniol, CI 51319, CI 12490, CI 74160, CI77891, CI 77499, sodium laureth sulfate, o-phenylphenol

Cinnamon & Orange (Cannelle Orange)

Fragrance Family: Floral Oriental

Fragrance Profile: Bursting with citrus orange, leading to spicy nuances of warming cinnamon, this is spicy, enticing, comforting and sweet all at once.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, benzyl alcohol, CI 77492, CI 77491, CI 77499, CI 12085

Immortelle (Immortelle)

Fragrance Family: Floral Oriental

Fragrance Profile: A luscious scent with hints of honey, rose and chamomile and with a dry herbaceous undertone.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, hydroxycitronellal, benzyl salicylate, cinnamyl alcohol, alpha-isomethyl ionone, CI 11710

Island Flowers (Fleur de Isles)

Fragrance Family: Floral Oriental

Fragrance Profile: A perfume of bohemian chic style, a magical contradiction of luxury and simplicity. Cheerful and warm, this fragrance features perfumes reminiscent of tropical islands and unforgettable summer holidays.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, hexyl cinnamal, linalool, amyl cinnamal, hydroxycitronellal, benzyl salicylate, geraniol, benzyl alcohol, eugenol, alpha-isomethyl ionone, CI 12085, CI 77492

Lotus Flower (Fleur de Lotus)

Fragrance Family: Floral Oriental

Fragrance Profile: Soft and creamy - a light and airy fresh fragrance with sweet, powdery qualities and aquatic floral nuances.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, linalool, citronellol, hexyl cinnamal, limonene, alpha- isomethyl ionone, CI 74160, CI 77891

Orange Blossom (Fleur d'Oranger)

Fragrance Family: Floral Oriental

Fragrance Profile: A complex and bewitching scent - heady, aromatic, sweet and elegant - a balanced blend with a fresh white floral note and an animalic musky undertone.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, geraniol, linalool, citronellol, CI 12085, CI 11680

Ylang Ylang (Ylang Ylang)

Fragrance Family: Floral Oriental

Fragrance Profile: A highly fragrant rich, floral, sweet note with a nuance of banana, and woody, sour nuances. A calming and wonderfully exotic yet mellow fragrance with sharp citrus notes and a hint of sweet spiciness.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, linalool, geraniol, benzyl benzoate, eugenol, hydroxycitronallal, CI 11710
