

Bergamot (Bergamote)

Fragrance Family: Citrus

Fragrance Profile: Citrusy, bitter tart and elegant with a light note and mild spicy tone. Complex with nuances of fruit and aromatic elements, reminiscent of eau de Cologne.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, linalool, geraniol, CI 77492

Crushed Lemon (Citron)

Fragrance Family: Citrus

Fragrance Profile: Sharp, zesty lemon takes centre stage in this vibrant scent which is both refreshing and revitalising, injecting a little energy into every situation.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, triticum vulgare (wheat) bran, citrus aurantium dulcis, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, citral, CI 11680, CI 12085

Lemon (Citron)

Fragrance Family: Citrus

Fragrance Profile: Tingle, zingle and wake me up! A zesty scent, astringent and sour with a sweet undertone and a bright, cheerful and vibrant, aromatic nuance.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, citral, CI 11680

Lemon Verbena (Citron Verveine)

Fragrance Family: Citrus

Fragrance Profile: A botanical wonder and a cocktail of energy in a secluded leafy garden! Lemon-fresh with clean, floral-citrus, aromatic herbal nuances.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, citral, geraniol, linalool, CI 11710, CI 77288

Lemongrass (Citronelle)

Fragrance Family: Citrus

Fragrance Profile: Intensely lemon-scented, bursting with a sweet herbal aroma. An uplifting, calming and crisp fragrance, with spicy aromatic undertones.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, citral, geraniol, citronellol, CI 11710, CI 77891

Mandarin (Mandarine)

Fragrance Family: Citrus

Fragrance Profile: Packed with sunshine – deliciously juicy, sweet, fruity and citrusy with a light, gourmet floral composition and a honeyed undertone.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, limonene, CI 11680, CI 12085

Orange (Orange)

Fragrance Family: Citrus

Fragrance Profile: A lusciously scented sweet citrus note with uplifting zestiness. Orange is so evocative of summer, it makes us think of delicious fruits, terracotta tiles, sun-soaked orange groves and deliriously beautiful sunsets.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, geraniol, linalool, citronellol, CI 12085, CI 11680

Verbena (Verveine)

Fragrance Family: Citrus

Fragrance Profile: The essence of a warm summer rain shower - a lemon-fresh floral symphony, clean citrus, with aromatic herbal nuances combine to leave an indulgent lingering fragrance.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, citral, geraniol, linalool, limonene, coumarin, CI 77288, CI 11710
