

# Dazzling Chocolate Lolly Making Kit

**All you need to make the best chocolate lolly's you've ever had!**

## Instructions:

- 1. Pour the dark chocolate chips into a microwave safe bowl and microwave in 10 second increments until melted. This should take around 30 seconds in all. Keep stirring the chocolate to ensure it doesn't burn or reharden.**
- 2. Repeat step 1 with the white chocolate chips.**
- 3. On a baking tray topped with a clean sheet on parchment paper, spread the melted chocolate into six large circles using the back of a spoon. You can make three of dark chocolate and three of white.**
- 4. Optional - drizzle the remaining chocolate over the other colour of chocolate circle to make a mixed pop. You can swirl it in to make a marble effect.**
- 5. Sprinkle the chocolate circles with the toppings from the kit. Get creative with your designs!**
- 6. Place a wooden stick approximately 1cm into your chocolate circle.**
- 7. Gently transfer the whole tray into the fridge to set for half an hour.**
- 8. Remove from fridge and enjoy your beautiful and delicious dazzling chocolate lollipops!**

### Ingredients:

**Chocolate chips:** sugar, unsweetened chocolate, cocoa butter, SOY lecithin, vanillin. May contain traces of PEANUTS, TREE NUTS and EGGS. (50g)
