

Jewellery Making Kit

All you need to make fun real and edible jewellery!

Instructions for the beaded bracelet:

- 1. Take out the beads and string from the pouches.**
- 2. Tie a knot in the string and then string the beads on. When your bracelet is full, tie the ends of the string together in a tight double knot, then dab a drop of super glue or nail polish on top of the knot to make it extra strong. Leave to dry and then enjoy wearing!**

Instructions for the candy necklace and bracelet:

Pour out the sweets from the bags and string onto the coloured lassos. Use one lasso for a necklace and one for a bracelet. Tie a knot at the end and cut off any remaining lasso. Enjoy wearing and eating!

Ingredients:

Lasso: glucose - fructose syrup, WHEAT flour, sugar, dextrose, palm oil, acid (citric acid), flavouring, concentrates (apple, pumpkin, tomato, radish), colours (curcumin, E133), antioxidants (tocopherol-rich extract, ascorbic acid), glazing agent (hydroxypropyl cellulose)

Sour Punch sweets: corn syrup, sugar, WHEAT flour, high fructose corn syrup, food starch modifies, malic acid, palm oil, glycerin, potassium citrate, glyceryl monostearate, artificial flavours, colours added Red 40 and Blue 1
