

Allergen Information - QWERTY Beer Box

The companies that we decide to work with are all independent and have complete control over their recipes and quality. From their packaging, this is what allergens are specified.

- **Beers**

- All beers contain water, malt, barley (gluten) & hops.
- A few of the beers also contain lactose (hence why the selection is not vegan)

- **Mr.Filbert's Salt Crust Peanuts**

- Contains nuts. Also made in an environment where almonds, cashews, celery, gluten, hazelnuts, milk, pistachios and soya are present.
- Gluten Free, Vegan and Dairy Free.
