Here We Flo Ingredients & Information

Here We Flo is officially a Certified B Corporation®, which means we're officially bloody brilliant.

All of our bamboo period pads are made from 100% sustainable and natural OEKO-Tex bamboo (that's the really really sustainable kind).

OEKO-Tex Bamboo means that the fabrics are organic and have been tested by independent labs to make sure that they are free from harmful substances - no nasties here!

This means our 100% organic bamboo pads are PH-respecting, never overdrying + Zero irritating.

Our FLO period pads and liners are wrapped in 100% plant-based, plastic-free & compostable wrappers.

Our outer packaging is made from recyclable FSC cardboard and vegan ink.

Greenfibres Information

Organic cotton face cloth - two sided - GOTS cert.

This is our popular 100% organic cotton muslin face cloth - but with a soft side. Soil Association certified. One side is the net-like muslin texture which is so effective for gentle exfoliating when washing your face or removing face masks. The other side is fluffy, soft, absorbent brushed cotton which will gently clean even the most sensitive skins.

25 x 25cm.

Soil Association license number X8731.

Organic cotton waffle headband

This waffle-texture hairband keeps your hair out of the way whilst cleansing your face or applying make-up. 100% organic cotton with velcro fastening.

Washable at 60 degrees. Approximate 8 x 66cm.

Other Information

f.e.t.e Ingredients & Information

Bamboo toothbrushes are vegan, biodegradable, home compostable and have recyclable bristles made from 63% plant-based materials.

Moroccan Mud Mask Clay

Ingredient: Sollum Fullonum

Pick n Melt Hand poured Natural Soy Wax Tealights

Our vegan soy tealights burn 100% toxin free. The quality is second to none. This is due to our custom secret soy blend and choice of braided cotton, soy coated wick. We have an entire section of our workshop dedicated to making them.

We use 100% pure none GMO soy wax and a sterilised, braided cotton wick to make the tealights. Pick n Melt tealight cups are all made from recycled materials. You can also recycle both our aluminium and poly tealight cups by popping them into your recycling bin after use.
